«EXPERIENCE CHEERFUL MUSICAL STORIES THAT INSPIRE»

MUSEUM

The KMM in Dürnten is one of the largest mechanical music exhibitions in Switzerland. Musical impressions take visitors into the cultural and social life of the early 20th century.

CHILDREN & FAMILIES

We get to know mechanical musical instruments, follow the sound puzzle trail or build tin guitars, ride the nostalgic carousel, watch the KMM family film, or celebrate our birthday in the variety show!

SCHOOLS

Whether it's a kindergarten trip or a school lesson introducing the topic of mechanical music: The KMM offers guided tours tailored to the respective age group and workshops on request.

EVENTS

Planning a corporate event, wedding, birthday party, or a family tour? An event with us offers your guests an unforgettable experience! We provide functional rooms, imaginative culinary offerings in a breathtaking museum setting, as well as private tours, individually or in combination.

CULTURE

From Sunday matinees and backyard concerts to readings or themed events – the KMM regularly hosts events for every taste. Family concerts and theater are, of course, also not to be missed.
